Accuratus 100 - Professional USB Wired Numeric Keypad with Integrated Palm Rest & Calculator, Tab, Backspace, Escape Keys

About

The Accuratus 100 is a professional numeric keypad allowing users to type numbers into spreadsheets and other applications quickly and easily. The Accuratus 100 also offers extra keys along the top within easy reach, these are calculator, tab, backspace and escape, perfect again for excel and other applications.

The number pad has full size keycaps for a comfortable tactile use along with UV coated legends for a long life and durability. The Accuratus 100 also features an integrated palm rest to help reduce strain after hours of use throughout the day.
