Product Images

Short Description

1. Compatible with all Qi-enabled devices
2. Foreign-object-detection (FOD) function provides safe operation
3. Ultra-slim design

Description

This wireless charger is the ideal solution for charging your Qi-enabled devices or any device with a Qi receiver. The charger is conveniently cable-free, automatically charging devices by simply placing them on the charger. Foreign-object-detection (FOD) and the LED indicator provide safe operation, stopping the charging process when any foreign metal object is placed on the charger. A great companion for daily life!
