

## Livescribe Symphony Smartpen

### Description

A pen for every occasion.

The pen that fits into your day like a cup of coffee. With you always but lasting longer and doing so much more. From taking notes in your meetings, to the idea that came on the way to the next. Mix your writing and audio together to relive that moment of inspiration, using just your pen. Save time, the pen makes your handwriting searchable giving you more time to brew another cup.

- Transcribe your notes in 27+ languages.
- Auto sync your notes to your favourite cloud services.
- Store up to 1200 A4 pages on our pen before you need to sync.
- Our pens give you access to our Livescribe+ application that syncs to your pen and opens the doors for your handwriting to go everywhere with you.
- Access to our free Livescribe+ app.
- 90-day standby battery life.
