Product Images

Short Description

1. 2 USB ports for charging two devices at the same time, even two tablets (2.4A for each port)
2. Simply use the cigarette lighter of your car, truck or boat (12V to 24V)
3. 2 USB ports for charging 2 devices at the same time

Description

This dual USB car charger is the ideal solution for charging your iPad or tablet and most of your other USB devices like (smart) phones and MP3-players through the cigarette lighter of your car, truck or boat! The dual USB car charger works on 12 - 24 volt and converts it to 5 volt. You can easily charge your USB devices while travelling by car, truck or boat, without the need of a PC, notebook or wall socket. Thanks to the high output power and 2 USB ports, you can charge 2 USB devices at the same time!
