

Number Pad sold separately

Ergonomic S-Board

The Bakker Elkhuizen / Ergostars Saturnus mini keyboard provides a unique, optimised key layout designed by an ergonomist to maximise productivity. Scissor action keys provide excellent tactile feedback; includes full set of function keys, 12 multi-media keys and integrated 2 port hub providing simply and convenient expansion for other USB connected peripherals.

Also available is the separate Number Pad enabling users to position the keypad in a position most comfortable to the user, Number pad also includes Calculator function where results can be directly transferred into programs.
