

Ergostars Saturnus Keyboard and NumberPad

Part codes: K-SAT (keyboard), K-SAT-NP (number pad)

Slimline multi-media mini keyboard and number pad with built in calculator.

Number Pad sold separately

Description

The Ergostars Saturnus mini keyboard provides a unique, optimised key layout designed by an ergonomist to maximise productivity. Scissor action keys provide excellent tactile feedback; includes full set of function keys, 12 multi-media keys and integrated 2 port USB hub providing simply and convenient expansion for other USB connected peripherals.

Also available is the separate Number Pad enabling users to position the keypad in a position most comfortable to the user, Number pad also includes Calculator function where results can be directly transferred into programs.
