

ACCUMED AQUA SMART CARD KEYBOARD

AccuMed AQUA USB 105 Key Antibacterial IP65 Clinical Integrated Smart Card Keyboard

About

Part Code: KYB-AQUA-SC-UBK/ KYB-AQUA-SC-UWH

The AccuMed AQUA Smart Card keyboard is similar to a standard keyboard in looks but has sealed internal components so can be washed and cleansed and added antibacterial protection, designed to deactivate bacteria and viruses. The AQUA Smart Card keyboard features an integrated Smart Card Reader on the side for additional convenience and quick sign in. The AccuMed range of medical grade keyboards & mice are specifically designed for environments with strict hygienic requirements such as hospitals, doctors, and food production areas.
