

RAINBOW 2 USB MIX

About

Part Number: KYB-RAINBOW2-MIX

For young children the Rainbow 2 Mixed Colour keyboard is the perfect entry into computing, standard sized keys with both upper and lower case legends grouped in different colours make learning easy and fun. Then there's the High Visibility and High Contrast models designed for users with vision impairment. High visibility large black legends against a bright yellow background or large black legends on a high contrast white background form the perfect combinations for those with certain sight deficiencies.
