

WHEATGRASS WIRELESS KEYBOARD

Image Wheatgrass Bluetooth Wireless Keyboard Piano Glossy Finish

About

Part Code: KYB-IMWHEAT-BTBL/GR

The Wheatgrass keyboard is the perfect Eco-Friendly addition to your desk. Offering various colours, the keyboard is available to purchase alongside a matching Wheatgrass Mouse from our ECO Range. The Wheatgrass keyboard has the very latest square style, tactile keys for comfortable typing, all housed within a modern slimline case. The key legends are even laser etched so that they have an extremely long lasting life and don't wear away like most regular keyboards.
