ACCURATUS BY CERATECH ®

ACCURATUS K82A Combo (USB / PS/2) Black Mini Keyboard

Hypertec Part Code: KYB500-K82AHY

Specification:
- Combo Connection: USB / PS/2.
- Mini notebook layout.
- FN (function) key to multiplex some keys, giving you access to a number pad, the insert, print screen, and other keys found on a standard keyboard. Very similar to how a laptop keyboard works.
- Internal metal back plate for increased keyboard rigidity.
- Long lasting high quality UV silk screen printed keycaps.
- Scissor key technology for even key contact to ease typing.
- Dimensions are compatible to a Cherry G84-4100 keyboard.
- An ideal input device for mobile applications and POS and Production Control.
- Support suspend and resume operation (subject to main-board support) for power saving when not in use.

Dimensions:
282(L) * 132(W) * 27(H) mm
