

5010 MINI TRACKBALL KEYBOARD

Accuratus 5010 - USB Mini All in One Keyboard with Trackball

About

Part Code: KYBAC5010-USBBLK

The 5010 is a mini sized keyboard with an inbuilt high resolution optical trackball. Left and right mouse buttons are located on the top left corner for ease of use. With its trackball and mini key layout it is an ideal keyboard for use in environments where space is limited, for example retail and POS environments.

The 5010 uses ultra reliable key membrane technology and durable high resolution key legends, these have a UV coating for an enhanced lifespan and ensuring the characters remain fresh throughout the product's life.
