Accuratus 5015 - Professional Wired Mini Size Keyboard with Optical Trackball, Left / Right Mouse Buttons & Scroll Wheel

About

The Accuratus 5015 is a custom build, mini trackball keyboard provides all the tools of a large keyboard and mouse in a very tidy package.

The in-built optical trackball and contoured left / right control buttons provide full 360 mouse functionality without wasting desk space. The number pad is ideally highlighted in a blue font and is fully incorporated within the keyboard.

The Accuratus 5015 is the ideal companion for any busy user who needs all the tools without cluttering their desk space.
