

CURVE TOUCH MOUSE BLUETOOTH

Accuratus Curve Touch Mouse – Bluetooth® Wireless Foldable Mouse with Touch Scroll

About

Part Code: MOU-CURVE-BTBLK

The Accuratus Curve Touch Bluetooth® mouse is a super slim wireless mouse designed for portability and style. The Curve Touch Mouse allows up to 10m wireless range with 1200 DPI for accurate tracking. The unique design allows the mouse to be folded flat to power off and curved up for automatic power on. The Curve Touch mouse will fit into any office environment with its modern and low profile image, as well as offering great comfort for both left and right handed users. Also available to order in white.
