

ACE

the smarter case - for Lenovo

First-in-class protection

Ace Case is the smarter case for Lenovo laptops. Pumped with drop protection and packed with value, Ace Case for Lenovo is the A+ choice for protecting your investment while giving students and working professionals an attractive and functional laptop experience. Rugged, reinforced TPU bumpers easily swallow the bumps and drops that happen every day in education and corporate settings, keeping your device safe. Clear, faceted polycarbonate top and bottom panels create a perception of quality to encourage an elevated sense of care, while also allowing asset tagging and barcode scanning. Ace Case for Lenovo is the ultimate companion to your fleet of classroom or office laptops.
