

# STUDIO

the **smarter** case for MacBook Air

## Smarter protection

Feather light construction with a form-fitting design to protect and celebrate your MacBook Air. The studio is a precision tooled case that is lightweight and durable while raised feet not only prevent your MacBook Air from sliding but also elevates your MacBook Air to enable air flow

### Smarter Features

- » Protective lightweight shell protects your MacBook Air Retina from bumps and scratches
- » Transparent to customise your MacBook Air Retina or allow it to shine through
- » Raised textured feet prevent your laptop from sliding on all types of surfaces and enables air flow
- » Vent openings allows better air flow and heat dissipation for your MacBook Air Retina
- » Micro-clip design for easy installation and removal
