DUX

KEYBOARD TRACKPAD BLUETOOTH

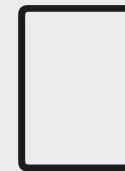

The smarter case for your iPad

A brilliantly designed Bluetooth keyboard case, with rugged bump protection, Apple Pencil 1 storage, and full-function trackpad to make your iPad experience even smarter.

Smarter Features

- » Passes the US Military spec 810H drop test with rubberised TPU bracket for even the most accident prone among us (with keyboard cover closed)
- » Pairs easily with iPad to provide seamless typing and trackpad experience
- » Allows you to click, swipe, zoom, and scroll just as you'd expect
- » The ruggedised Dux Bluetooth keyboard resists little spills & splashes as well as keys being pried off by curious little fingers or accidental snags
- » Adjust your iPad to view at the angle most comfortable for you with the smooth and sturdy built-in Infinity Stand
- » Keep your Apple Pencil handy and securely stowed in the dedicated storage slot
- » Over 80 hour Bluetooth keyboard battery life per charge
