

THANA02B 2-Fan Laptop Cooling Pad

Product Images

Short Description

1. Suitable for laptops up to 17""
2. 2 ultra-silent 12.5cm fans built in
3. Height adjustment
4. Anti-slip design
5. Complete with power switch for convenient on/off functionality

Description

A powerful cooling pad with a range of useful features for keeping notebooks safe and comfortable. USB powered so it doesn't require a power socket, the cooling pad features 2 fans and a power switch to control and maintain the optimum temperature, ensuring low power consumption via your laptop's USB port. The pad features two USB ports, one for connecting to a device to power the cooling pad, and one extra port. The cooling pad features an anti-slip design to make sure the device remains centrally located on the pad. This is a powerful and versatile cooling pad to enhance any mobile workstation.
