

## Workplace Adjustments Review powered by Diversity & Ability

**D&A**  
Diversity  
and Ability

**Product Code:** X-C-AR-W

**Features:**

- ✓ Data gathering and analysis.
- ✓ Mock application process test from lived-experience of disability and use of assistive technology.
- ✓ Recommendations report.
- ✓ Review session to consolidate learning.

**D&A Workplace Adjustments review dives into the process employees go through when requesting adjustments and support.**

They review the nature and consistency of support across the organisation and investigate how the process is understood by teams. Through a comprehensive report of recommendations for streamlining existing processes and implementing new ones, you'll have everything you need to create spaces where every employee can access and support each other.
